HOTELS & RESORTS

With our long standing experience in the furniture industry, we have successfully executed several prestigious projects within the KSA market over the last 10 years. Our projects have ranged from the university setting to the hospitality industry, from banks to corporate environments.

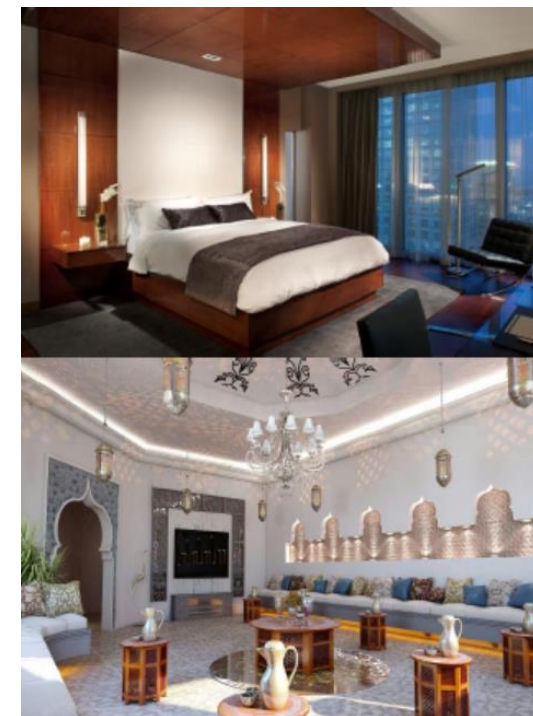

Since 2017, EFS worked with Keenovan in China and built it as its exclusive operation team to handle Asia affairs for furniture and interior design, engineering works and supply-chain management, so as to provide the best solutions and services to clients.

■ **Pride:** We pride ourselves on our strong partnerships worldwide and in the USA. These partnerships allow us to procure outstanding quality and innovative designs in a multitude of product offerings.

■ **Partnerships:** We only partner with the leading experts in the field; the highly trained designers and project managers we work with help us to ensure end-to-end customer satisfaction.

■ **Value:** Since 2009, we have continually expanded our expertise in procurement and outsourcing, equating to an all-in-one value package for the customer.

■ **Relationships:** We have access to unparalleled manufacturing resources in the hospitality segment in the USA, Europe, China and Turkey.

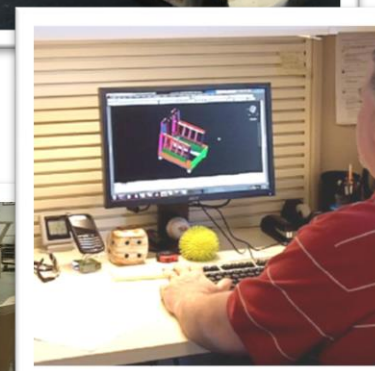

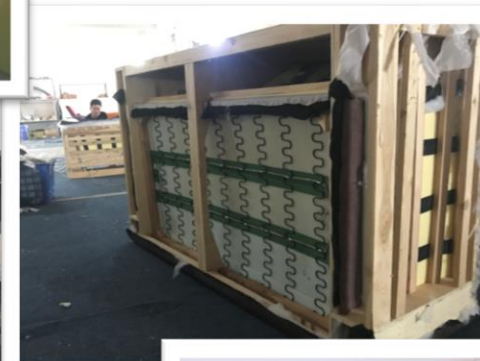

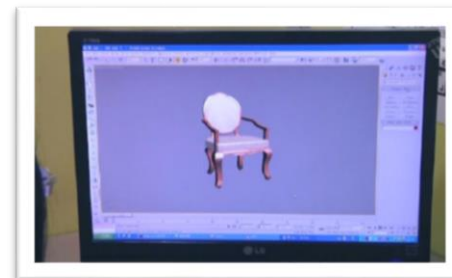

- We collaborate with top designers using leading-edge programs to create solutions and high-market designs.
- Sourcing manufacturers that maintain ISO9001 quality standards.
- Our execution team create outstanding quality in custom woods-work products for Guest rooms, lounging areas and exquisite lobby entrances.
- We transform atmospheres into luxury works of art the reflect an influence from east to west . Our partners design fashionable fabric, furniture and furnishing that exude modern, contemporary and timeless classics.
- We demonstrate some of our more recent projects for the most recognized hotels brands in the hospitality segment.

- **Experience:** We have a highly skilled project management and design team with expertise in advising diverse projects including university, office, and hospitality environments.
- **Superior Materials:** The ability to access high-tech materials allows us to deliver to our clients a portfolio of innovative offerings. These offerings provide superior functionality without compromising aesthetic appeal, quality or budget constraints.
- **One Point Provider:** As a one-stop-shop, we source the largest depth and breadth of options in ergonomic seating, partition walls and fabrications; both custom and prebuilt. This also includes workstations and office lounge designs as well as case goods.

Kimball® Hospitality

- We have direct representation for Kimball Hospitality in the KSA markets and the Middle East.
- Starting in 1985, Kimball Hospitality has been successful leader and provider of hospitality furniture solutions.
- With their resources, we are backed by their team of projects management, product development, ensuring that quality and fulfillment is on point.
- As of today, they have world-wide manufacturing capabilities to execute product developments.

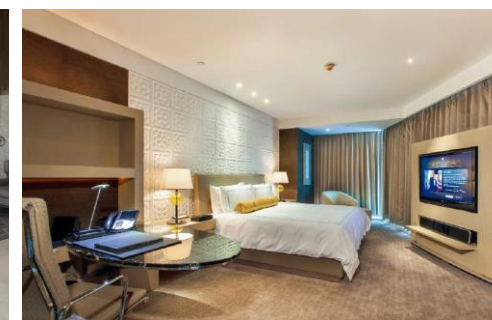

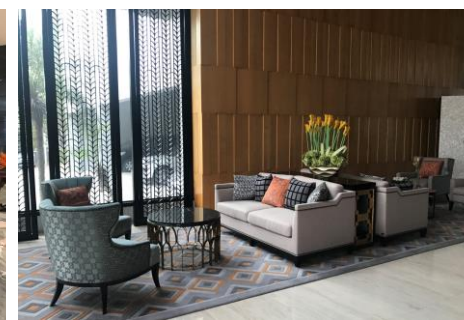

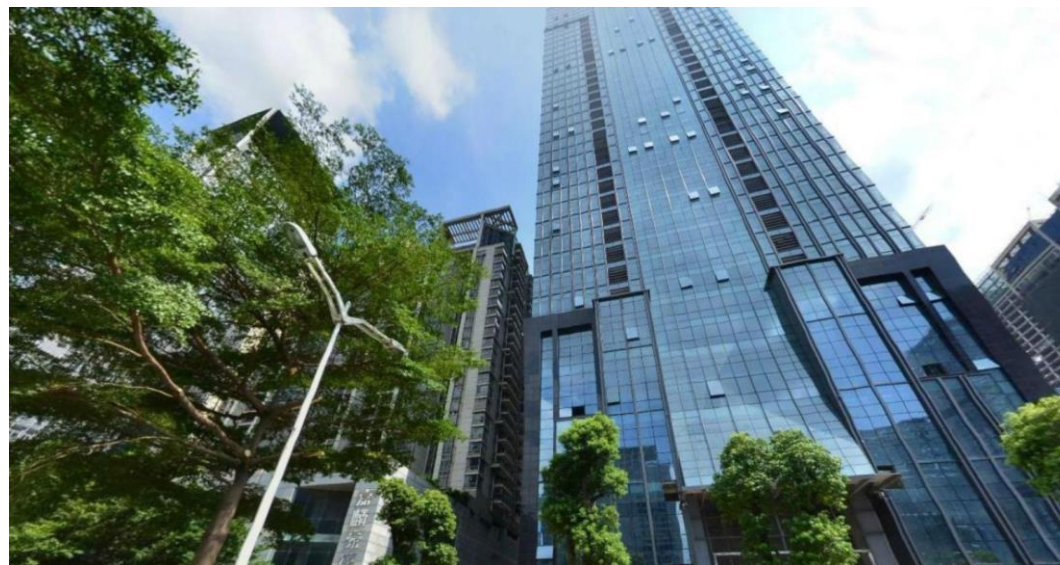

- Borgo® has a full family of dining chairs which include side chairs, arm chairs, bar stools, and occasional chairs.
- All Borgo chair and stool frames are manufactured using mortise and tenon and/or multi-groove construction.
- All joints are glued, pressed and pinned. This high quality construction increases durability and stability.

- Keenovan started in 2010 by three industrial designers as an independent studio in China. After four years development, it turned to be a very professional consulting company for design and furnishing in hospitality spaces, commercial spaces and educational space.
- Now we have Keenovan as our exclusive operator in Asia to execute furniture and space design, costing analysis, materials sourcing and supply-chain management.
- With their strength, we are backed by the team to have the best solutions with very excellent cost performance, ensuring that quality and fulfillment is always satisfied.
